EXPORT

In addition of our own operations, we also help with operational structuring.

PROCEDURES

Please note the Instructions to achieve the success of good export business in Brazil:

We do not take part of expeculations or general research of market prices, so we only accept documents named to our company (Trading New Hub).The documents must be in company 's letterhead stationery with complete address in order to indentify the sender clearly and all the documents must be written in english language. Only English language is legally effective.

The documents must be sent on pdf format by e-mail (Roger@tradingnewhub.com).

This procedure applies to export bargain and it 's not legally binding and it may be extended or curtailed.

1. LOI - Letter of Intent + KYC - Know Your Customer

A lettler of Intent must be filled out LOI - Letter of Intent, by buyer or agent (main declarant) with all product informations as specifications and quantity , conditions (price, payment conditions, delivery, etc.)

Observations: LOI - Letter of Intent are not accepted without a target price. All the Letters of Intent must be named to New Hub Trading in its complete address, signed and in PDF format by e-mail. All the KYC must be followed by buyer ' passport and all the company informations as well, and sent by corporative e-mail.

2. Soft Corporate Offer - SCO

In 72 hours max. New Hub Trading will send a NCNDA (Non Compete, Circumvention, Non Disclousure Agreement) + Soft Coroporate Offer (SCO) against an ICPO as an agreement in 5 business days.

3- Irrevocable Corporate Purchase Order - ICPO

SCO being signed and stamped by buyer and sent back, buyer must issue an ICPO - Irrevocable Corporate Purchase Order in maximum 72 hours where all the specifications, conditions and procedures are described to firm the purchase intent. The buyer must send with ICPO the POOF, Proof of funds as a BCL, Bank Comfort Letter, or a RWA, Ready, Willing and Able, a Corporate Charter and a copy of the Passport of the buyer or legal representative, directly to seller.

4. Contract (SPA – Sales & Purchase Agreement)

After the receiving of purchase (ICPO – Irrevocable Corporate Purchase Order) and all the other documents from buyer described on topic 3 which will be verified by producer / seller and buyer will receive timely a draft contract (SPA – Sales & Purchase Agreement draft). The pre requirement is the positive analysis for all the documents and proof of funds corresponding to the scope of contract. The buyer will have 72 hours to revise the Contract SPA – Sales & Purchase Agreement.

As soon as the stakeholders agree with the SPA – Sales & Purchase Agreement, the buyer must sign the SPA – Sales & Purchase Agreement, and turn it back to producer / seller by e-mail. After a verification from producer / seller, the buyer receives a referenced SPA – Sales & Purchase Agreement.

5 -Usually the market works with the garantees of SBLC (Standby Letter of Credit)

Top 35 World Banks and DLC, Document Letter of Credit, only for customers from China and under special conditions of customers and values - Top 25 World Banks.

Attention: Kindly note that procedures aforementioned is not applied exclusively by New Hub Trading but by usage and practices of commodities market on export. Reminding that New Hub Trading not always acts on purchase and sale of products but eventually as a broker.

EFFICIENCY AND QUALITY

On export, the efficiency and reliability on delivery are the two of the main factors of the success of the whole operation. We can guarantee the operational excellence following closer all the steps of the process.

THE BEST PRODUCTS ARRIVING AT THEIR DESTINATIONS EFFECTIVELY
AND TARGET COST.

PLANNING

An export will only be very well succeeded preceded of a good planning . Selection of great suppliers, following production, logistic design and financial structure are essential for the achivement of the success of operation. We have the necessary power for each step of the planning, counting on experienced professionals with required skills in their fields.
